

Please consider taking public transit when attending Sample the Sierra.

More people riding transit equates to less traffic congestion, less parking headaches, and a healthier community. Fewer private vehicles on the road results in less pollution in the Tahoe Basin. Route 50 and 55 provide access to Al Tahoe Blvd. three times each hour between 6:00 a.m. and 6:30 p.m. Route 50 serves Al Tahoe Blvd. eastbound only and route 55 serves Al Tahoe Blvd. eastbound and westbound.

If you are east of Al Tahoe Blvd., board route 55 westbound at the stops and times listed below.
